01 / TUNAL GROUP × THOMAS GUILLEMETTE

Tunal Group: building something to pass on.

The collaboration, through the fighter's eyes.

A co-founder of Tunal Group from the beginning, Thomas wants to use his boxing experience to develop careers. With the team, he advocates individual support, inside and outside the sport. He aims to build a leading international promotion. Supporting him connects a brand with a boxer and entrepreneur, and a collective project built on commitment, human relationships and creating opportunities.

02 / THE STORY

Near Nantes, a different future was taking shape.

Raised in the countryside near Nantes, Thomas practised judo and table tennis before studying engineering in Paris. He then chose entrepreneurship and a life shaped by travel.

Barış Erdoğan introduced him to boxing at twenty. The ring brought new demands: learning, accepting difficulty and pushing his limits. He found a sporting challenge that complemented his desire to build businesses.

03 / THE JOURNEY

The United States: tested in the ring.

A professional since 20 March 2022 without amateur competition, he also reports around thirty exhibitions in Krabi in 2023, separate from his record.

His US experience includes Orlando against Sean Mason and Houston against Giovanni Marquez in 2024. He singles out eight rounds against Nick Molina: a decision loss, but a major benchmark in his development.

Orthodox, powerful and composed, he wants to return to pursue a belt and new challenges.

HIS AMBITION

Return to the ring to pursue a belt, and grow Tunal Group towards boxing's biggest stages.
