01 / TUNAL GROUP × FLORENT DERVIS

Tunal and Florent, building a legacy

The collaboration, through the fighter's eyes.

Tunal has a particular place in Florent's story: he says he created Tunal Group with Barış to help fighters build their careers and their legacy. He highlights the project's vision, the team's willingness to listen and its connections in international boxing. Among the opportunities that stand out, he recalls his fight at the Barclays Center in New York. With Tunal Group, he wants to keep progressing towards major events while helping other fighters find the means to build their own story.

02 / THE STORY

Change direction. Discover yourself.

Florent grew up near Privas in rural Ardèche. Football was part of his childhood; music and art also feed his curiosity. After an early career in gastronomy, meeting Barış opened a new chapter in boxing.

Based in Pattaya, he sees each training session as a way to leave his comfort zone. Personal and professional setbacks taught him, he says, gratitude and humility. He wants to show that a fresh start can become an ambitious project through work and perseverance.

03 / THE JOURNEY

Learning under pressure.

A 1.84 m southpaw, Florent dates his professional debut to March 2022, without an amateur background. He reports around 60 six-round exhibitions, separate from his official record. An ABF title and an appearance at Barclays Center stand out in his account. His style emphasises pressure and commitment.

HIS AMBITION

Pursue a WBA world title and a possible unification, inspiring others through committed performances and his journey.
