TARKAN KANYAR

Fighter profile

5 / 1 / 0

WINS / LOSSES / DRAWS

3 KO / TKO · 60% of wins · Checked 2026-10-19

Born in Iğdır, Tarkan began boxing at eight with coach Taner Demirci, inspired by his uncle Savaş Kaya. His amateur journey led to a professional debut in Greece in 2024, supported by Ali Hagnazari and the Tunal team.

01 Iğdır · first training at eight in his account

02 Family · an amateur final against his brother

03 2024 · professional transition in his testimony

Photos: Archives Tunal

Tarkan began boxing in Iğdır at eight with coach Taner Demirci, inspired by his uncle Savaş Kaya. His early years combined school, training and work to support his family. Among his strongest amateur memories is a championship final against his own brother.

His original biography places the move into professional boxing in 2024, supported by Ali Hagnazari and Tunal Group, with a debut in Greece. His ambition is to carry the name of his hometown and country onto an international stage.
