London 2012 silver: a defining chapter in Brazilian boxing.

01 London 2012 · Olympic middleweight silver medallist

02 Brazil · a career on the international stage

Photos: Jeff Lockhart / Eye of the Tiger

Esquiva won middleweight silver at the London 2012 Olympic Games. His brother Yamaguchi also reached the podium in another division, giving the Games a special family dimension.

That Olympic podium remains a defining milestone. It helps explain the international recognition of a boxer who carries Brazil's colours into the professional ring.
