From Malmö to Istanbul: King Mo's journey through international boxing.

01 Malmö · international training route**02** 14.06.2026 · WBC/Greater Turan belt in Istanbul

The Swedish professional boxing commission describes Mohammed's route through Australia and Thailand while retaining a Swedish licence. That journey brought the Malmö fighter to a Tunal night in Istanbul.

On 14 June 2026, he faced Mukhtiar Ahmed Kakar at Bostancı. The commission records a fifth-round stoppage and the WBC/Greater Turan super-featherweight belt. The official fight film lets partners see the bout's actual setting, beyond the result.
