01 04.09.2025 · title challenge in Quebec

The WBC's report of 5 September 2025 documents Ivan's meeting with Jhon Orobio in Quebec the previous night. The contest was for Orobio's Continental Americas super-lightweight title.

That overseas challenge is a concrete landmark for this profile. It is presented as a past bout, with its result kept in context, rather than as a claim that Ivan held the title.
