From Pandrup to the professional ring: an extensive Danish amateur education.

01 Denmark · ten senior national titles, according to Danish Fight Night

02 Nordic competition · amateur success across three divisions

03 November 2024 · professional debut

Frederik learned his craft at Pandrup Bokseklub. Danish Fight Night's November 2024 introduction described ten senior Danish titles and Nordic success across three weights.

His professional debut was announced for 29 November in Frederiksberg. A later promoter report confirms that November start. The transition meant a new challenge: adapting his amateur experience to longer professional contests.
