Ryspek's Kyrgyz boxing journey connects championship archives and the Tunal ring.

01 2017 · Asian junior tournament

02 2025 · world championship, 60 kg

Official tournament records identify Ryspek Bektenov in Kyrgyzstan's boxing programme, from the 2017 Asian junior tournament to the 2025 world championship at 60 kg.

The Tunal film against Emre Doğan offers another view of his boxing. The tournament entries tell a dated amateur story; they are not added to his professional win-loss totals.
