01 / TUNAL GROUP × NAZIF SEJDI

Tunal Group, building beyond the next fight

The collaboration, through the fighter's eyes.

Tunal Group entered Nazif's journey through his contacts in professional boxing. He says the team's communication and international vision convinced him. Above all, he values feeling supported by people who are preparing the next stages of his career. For him, the collaboration opens a new chapter: becoming more active, facing different styles and progressing towards titles. What he seeks with Tunal is a career built over time, fight by fight.

02 / THE STORY

Roots and a direction.

Born in Serbia and based in Novi Sad, Nazif Sejdi says he learned early to work for what he wanted. Boxing gave him discipline, purpose and the responsibility of facing his own fight.

Injuries, financial difficulties and missed opportunities have sometimes slowed his progress. He says they taught him patience and a greater appreciation of every opportunity. For himself and those close to him, he wants to move forward without losing respect for others.

03 / THE JOURNEY

Experience to build on.

A 1.77 m southpaw, he reports around 160 amateur bouts, three national titles, a Balkan title and a European bronze medal. As a professional, he declares 4 wins, 1 loss and no draws. Naturally aggressive, he is developing his defence, strategy and patience to become a more complete fighter.

HIS AMBITION

Work towards a world title while staying true to hard work, humility and respect.
