BEHIND THE GLOVES

A STORY WORTH SHARING.

Sameer Khan built his boxing journey while balancing training with his work as a barista at McDonald's Pakistan. His story attracted attention at home, and his employer celebrated his achievement, recognising his discipline and perseverance.

On 27 September 2025 in Bangkok, he won the UBO Youth super-flyweight title with a unanimous decision over India's Banty Singh. This Youth title marked an important step early in his professional career.

With Tunal Group, Sameer is now part of an international boxing environment. His appearance at the 30 August 2026 Darica event, documented in the promotion's archives against Bedirhan Karali, is part of that journey.

With Tunal, he continues that progression, carrying Pakistan's colours into new arenas.

Record supplied by the Tunal team on 19 October 2026: 5 wins, no losses and no draws.
